SHELTERS AND CENTRES: ASHADEEP

In the North of Goa we have three programmes - Ashadeep, Little Acorns, and Tremara. In the South, we have three programmes as well- Stepping Stones, Good News, and Ashraya. The slums surrounding these programmes have thousands of children deprived of a normal childhood and thus, these programmes bring comfort and relief to these children. The Shelters and Centres offer protection, education, and teach the children about the significance of health and hygiene.

We have over 2000 children availing the benefits of El Shaddai Daycares, Shelters, and Centres. Our fieldworkers also work to spread awareness among communities and the children coming off the streets for food and medical attention.
