SECURE AND  
BRIGHT FUTURE  
FOR UNDER-PRIVILEGED  
CHILDREN

OUR MISSION  
TO CREATE HOMES, SHELTERS, COMMUNITY  
CENTRES AND SCHOOLS  
TO TRANSFORM CHILDREN'S LIVES

## PROJECT PROPOSAL FOR ADHRAHALLI – TUTION CENTRE

### Introduction:

El Shaddai Charitable Trust, a beacon of hope nestled in the heart of Goa, has been a nurturing presence for underprivileged children since 1997. For a corporate entity like yours, embarking on a CSR journey with El Shaddai is not just a strategic decision but a heartfelt commitment to change lives.

Our mission resonates deeply with the global shift towards compassionate corporate citizenship and sustainable development, providing a meaningful avenue for your company to leave a lasting humanitarian footprint.

### The Growing Need for Social Responsibility:

In a world where corporate influence shapes societies, the power to make a difference in human lives is profound. Goa, a land of stark contrasts, where tourist delights coexist with socio-economic challenges, needs compassionate interventions. Migrant families and disenfranchised communities struggle for basic necessities and a dignified existence. A partnership with El Shaddai transcends mere corporate responsibility; it becomes a lifeline to these vulnerable souls, aligning your business ethos with global humanitarian goals.

### El Shaddai's Impact and Alignment with CSR:

El Shaddai's journey, as detailed in our Impact Report 2020-2021, is a testament to the power of compassionate action. Over 70,000 children have found hope through our educational and vocational programs. Our residential homes and schools are not just buildings; they are sanctuaries of learning and growth. The daily meal we provide is more than nourishment; it's a gesture of love and care. By aligning with El Shaddai, your company becomes part of a story of transformation and hope, advancing noble goals like quality education and economic growth.

### Mutual Benefits of Partnership:

Partnering with El Shaddai offers your company more than just fulfilment of CSR obligations; it offers a chance to touch lives and create stories of hope and resilience. It enhances your corporate identity, showcasing a deep-seated commitment to societal upliftment. Engaging your employees in our initiatives not only boosts their morale but also instils a sense of purpose and empathy, fostering a culture of kindness within your organization.

### Partnership Opportunities and CSR Compliance:

El Shaddai provides a spectrum of partnership opportunities, from sponsoring specific projects to engaging in our overarching mission. Our initiatives are structured to ensure transparency and adherence to CSR norms. We welcome your company to join us in this journey, be it through financial support or hands-on involvement in our life-changing programs.

### Let's do this together!

We invite you to join hands with us in this noble endeavour. Reach out to us, and let's discuss how together, we can bring about a positive change in the lives of those in need.

With your support, we can extend our reach, touching more lives and crafting a future filled with hope and opportunity. Together, let's build a world where every child has a chance to thrive and every community the strength to flourish.

### ADRAHALLI – TUTION CENTRE

The project will support 200 underprivileged children's education in Adrahalli - Karnataka, India to provide an educational bridge, through classes, tuitions and extra-academic support for school age children to enter mainstream schools and minimize school drop outs. The Centre provides non-formal education and tuitions to those unable to access mainstream education and help to cope up with the school syllabus thus to reduce school dropout.

Our project takes a multifaceted approach to enhance education access. We equip classrooms, offer tuition support, provide school supplies, books, computer training, and nutritious school meals. These efforts reduce illiteracy rates and the likelihood of students dropping out. We believe that education is a proven path to alleviating poverty and driving lasting change. Quality education is a fundamental human right, and by providing it, we empower beneficiaries to become leaders.

Our project is not just a short-term fix; it represents a profound and enduring investment in the future. By offering quality educational opportunities to children and youths, we equip them with the tools to rise above poverty and become independent, informed decision-makers. This, in turn, enables them to make significant contributions to their families, communities, nation, and the world. Education reduces poverty and brings lasting empowerment and definite change.
